

LEITHON ENGLISH

Full-Stack Developer

PERSONAL DETAILS

I really enjoy bringing an idea to life and seeing how it positively impacts the lives of others. I'm not afraid of trying new things and receiving feedback. Those things are essential for growth and I'm all about growing! I make it a goal to enjoy whatever project I'm on because when you enjoy what you do, you do it well.

ACADEMIC HISTORY

Big Nerd Ranch

IOS ESSENTIALS WITH SWIFT, 2016

MongoDB University

MONGODB FOR .NET DEVELOPERS, 2015

University of Technology, Jamaica
